

WHERE'S THE MEAT!

Does your doctor have you on a no-meat medical diet? This is the pizza for you! Mounds of uncooked gooey cheese, with no chance of burning your tongue on something hot. Be safe! Order a "Where's the MEAT!" pizza today!

THE "SAREENA"

If you're a "meataterian", this is the pizza for you. Mounds of sausage, hamburger, pepperoni, elk, possum, venison, and armadillo! This stuff is good!

ALLDA' FISH NDA' C

Do you attempt to fish and never catch anything? Well then this is the pizza for you. The fish are still live when the pizza is served, they will jump out of the cheese and get you! Perfect for scaring your favorite loved ones!
